1969 VIKING

**NORTH DALLAS HIGH SCHOOL
DALLAS, TEXAS**

FOREWORD . . .

In the past years, North Dallas has experienced many new and different changes. Many people have come to North Dallas. People of all race, creed, and color. We each are individuals. But as individuals, we are all members of a crew, the crew on the ship of life. The course our ship takes is not always a smooth one. Our course is filled with many barriers which must be overcome. We must be like the Vikings, who were the greatest seafarers the world has ever known. They were courageous, adventurous, proud, and unafraid to go into uncharted waters. They knew that each member of the crew had his own part to play, and each bore the responsibility for doing his job well. We each must be like these sailors of old. We each have a job on this ship. We must be adventurous, always experimenting, unafraid to try something new, no matter what others may think. There will be times when the going gets rough and things look bad. We now, more than ever, feel the burden of guiding our ship along the right course. It is up to each individual whether the ship sinks, taking all with it, never to be heard of again, or whether the ship sails proudly through the eons of time.

We, the members of the 1969 VIKING staff, hope that this book will help inspire our relationship between the different people and promote a better understanding between all of us as a whole.

Dedicated to the

As we began our journey through the mysteries of high school, you were there to guide us. We have always felt your presence and influence. You opened our sometimes reluctant minds to the wonders around us. You hoped with us and helped us to understand the many things we needed to know. You kept teaching us and praying for us. Your pride and faith in us made our years spent at North Dallas the most wonderful years of our lives.

Teachers of North Dallas

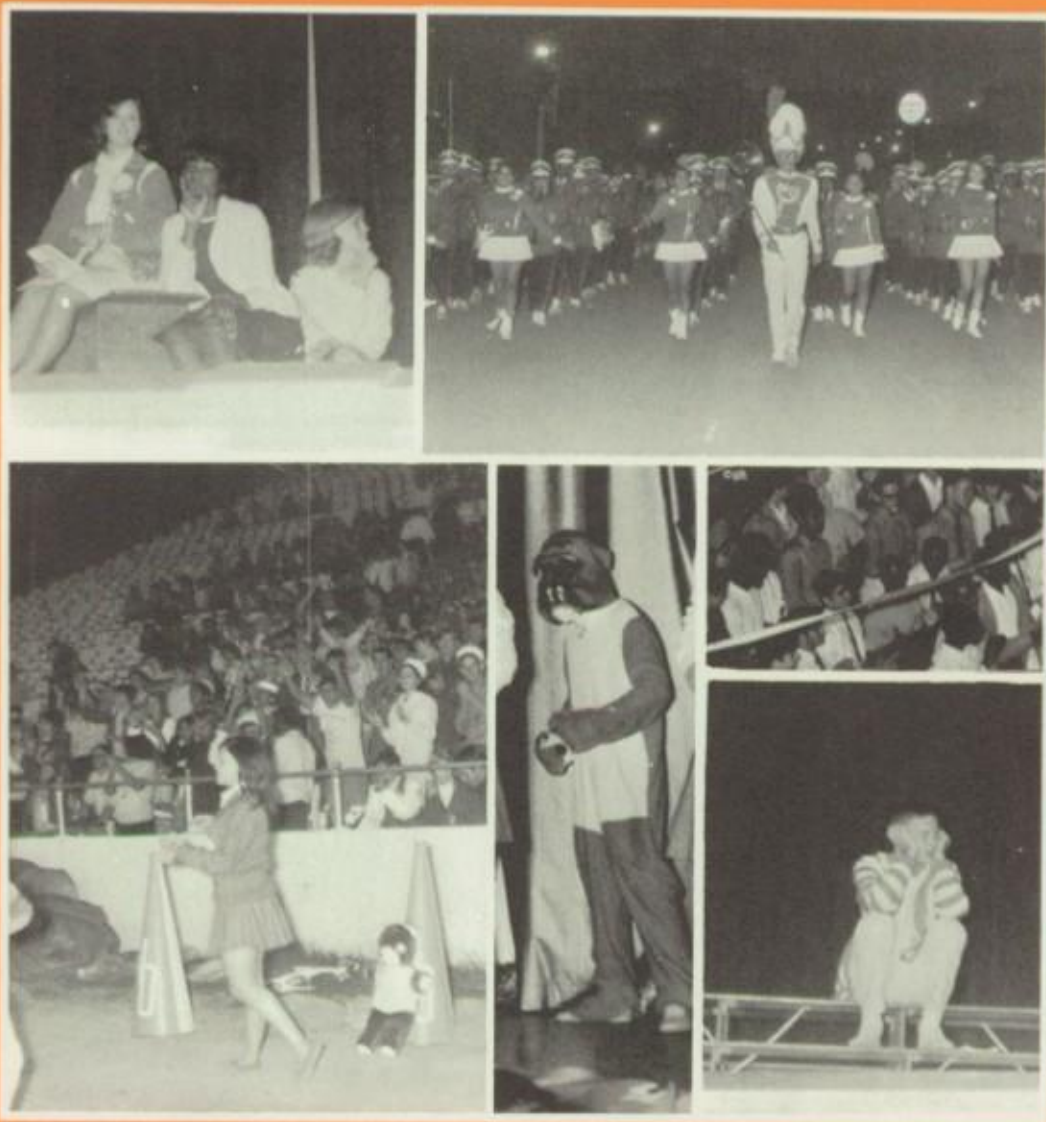

You have helped us make the right decision many times. We have learned things only you could teach us. Not only have you solved the puzzles of reading, writing, and arithmetic for us, but the puzzle of life itself.

We think that you teachers are very special and are truly dedicated. We of the VIKING staff wish to dedicate the 1968-1969 VIKING to all of the teachers here at North Dallas with the hope that this book will help express what we could never say.

*Good Luck always,
Mrs. Lindsey*

A TRIBUTE

Tonight is a very important night,
Although it's both happy and sad.
For us, it's looking forward to the
year we will have.
For you, it's remembering the one
you've just had.

This has been a wonderful year,
Both for us and for you.
And now we regret this night that must
come,
When the old are replaced by the new.

It's hard to find the word to express
The things we would like to say.
But I hope somehow you realize
The way we feel today.

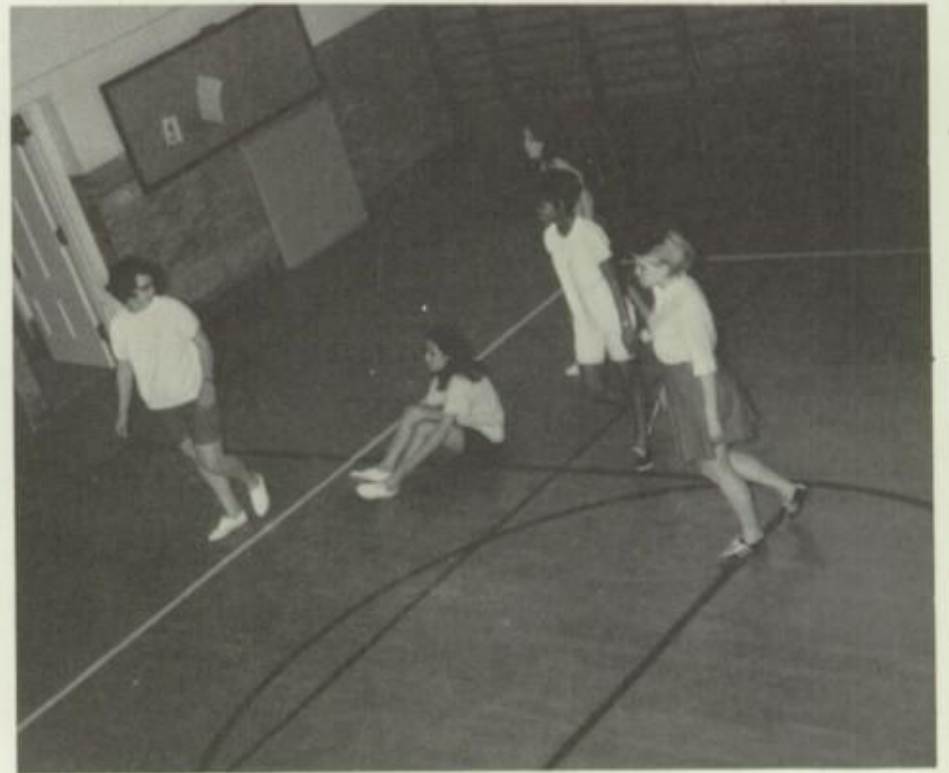

We just want to say thanks for everything:
All the help, the advice, and the
memories you'll leave behind.
And long after this day has come and gone.
We'll remember the seniors of sixty-nine.

DOGS DROP OPENER

The North Dallas Bulldogs lost their first game 16-6 to J. N. Ervin. The Bulldogs substituting freely to look every player over, found out more or less what each individual could do. The Bulldog defense looked exceptionally strong as they caused seven turnovers, five fumble recoveries and two interceptions one by linebacker Jose Robles and one by defensive end Terry Benedict. The Bulldog score came when Traversia Bradford speared split-end Julian Monton with a seven yard touchdown pass.

DOGS FIRST TO SCORE ON SUNSET

The North Dallas Bulldogs fought a bruising game but came out on the short end as Sunset came out the victor 38-7. The Bulldog score was set up when linebacker, Jose Robles, and guard, Greg Hahn, fired up to recover a fumble on the Bison 20 yard line. On the following play Bradford nailed James Banks for a 20 yard score; Tony Castanon's extra point was good.

The North Dallas Bulldogs lost to Woodrow Wilson 39-7. The Bulldog score came when Traversia Bradford hit split-end Julian Monton with a pass on the 20 yard line and Monton raced in for the score; Castanon made the extra point good.

BULLDOGS DOWNED BY BEARS

S. O. C. handed the North Dallas Bulldogs a 61-0 beating. This is the worst game ever confronted the Bulldogs in the way of scoring. The Bulldogs outclassed the Bears man for man for their guts and determination. Even to the last second the Dogs tried to put a score on the board.

KNIGHTS SLIP PAST N. D.

The Kimball Knights led by Dickey Norton defeated the Bulldogs 39-7. The Bulldog defense couldn't contact the fleet, little, Kimball halfback as he exploded for three touchdowns. The Bulldog defense did have its signs of glory as it caused seven turnovers, five fumble recoveries and two interceptions by linebacker Jimmy Hilburn and Danny Fagan. The Bulldog score was made by James Banks.

The Bulldog score came when Bradford ramblled into the end zone from three yards out. The pass from Bradford to Kelly supplied the extra point.

MUSTANG-GAME VICTORY

The Bulldogs stomp the Roosevelt Mustangs! The Bulldogs were predicted to lose, but instead the Dogs shocked fans and critics by defeating Roosevelt 13 to 6.

Treversia Bradford from the 13 yard line quickly marched in for a score in two plays. The clincher was a 9-yard touchdown pass to Jimmy Kelly, who stole the ball from two defenders and waltzed into the end zone. Later Bradford after taunting the Mustangs for two downs, snuck the ball over for the score.

The Bulldogs left the mud-trudged field with the glow of victory. But of the most enthusiastic, the proud North Dallas fans who all left with smiles of content.

BULLDOGS EXCITE COTTON BOWL CROWD

North Dallas fought it out with Carter and lost, 42-19, but came out of the game winners. The Bulldogs gained confidence in themselves, and they had the reassurance of knowing that they could score on anyone from anywhere. Carter came out of the game humiliated as the Bulldogs chalked up more points against Carter than any other single team this year.

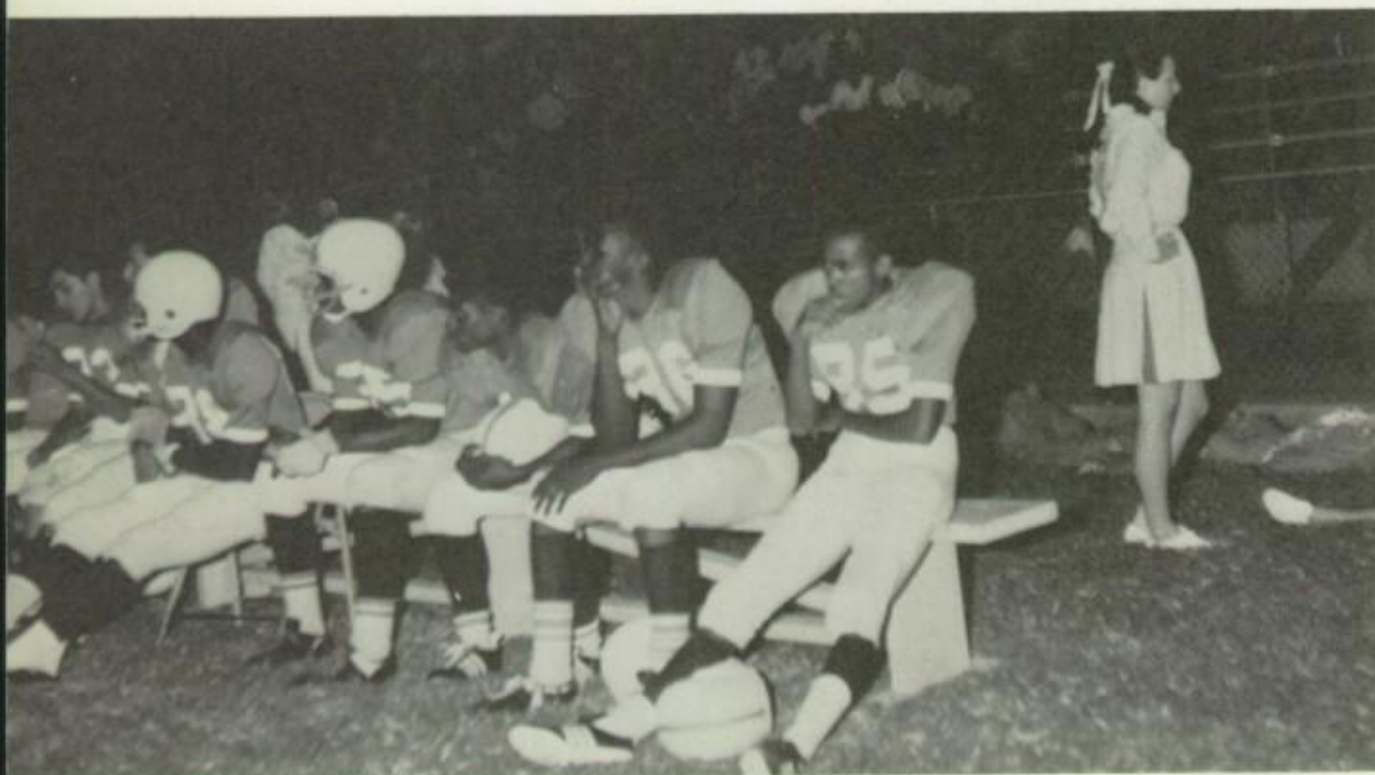

The Bulldog scores came quick and fast. Bradford threaded a pass to Rafael Rodriguez between three defenders for a touchdown. Castanon's extra point was good. Bradford sneaked in from one yard out to give another score. Then Bradford hit Willard Thompson for another six points. The game was really an exciting one.

TROJANS RAID DOGS, 21-6

The Bulldogs scored early in the Madison game, when, after a fumble recovery, Bradford hit wing-back Jimmy Kelley at the three-yard line. Kelley, making a fantastic catch, took the ball away from two defenders. Bradford then faked into the line and swept left end to score.

The Bulldogs, with a number of players hurt and unable to play, could not get on the scoreboard again despite a beautiful defensive play by Thomas Maldonado, as he intercepted a pass and ran it back 38 yards to the one-yard line. The possible touchdown was upset, as we fumbled and Madison recovered.

**nt** Begin with a clean, fresh, modern, but dignified type . . .  
(in this case, Airport Bold). The relevant, ministering church  
today must say, "Today!" And say it in the language and media of  
of today. Then . . .

Stylize our initials, and they  
Of course, there's fellow-

and character development, recreation, training in skills, help for young  
parents, benevolence, social involvement . . . But we do these things  
because we are a church after the pattern of the New Testament. A  
ministering church. A servant church. Lifting high the cross of Christ,  
who died for all men.

Modernize that symbol. You still see the  
church, but it takes on the appearance of a modern supersonic aircraft.  
And that's our story . . . A ministering church . . . for today's needs . . .  
serving North Dallas in the Love Field area.
